Man's (& Woman's) Best Friend

*The Phrase "Man's Best Friend" originated in a court of law.
"A man's dog stands by him in prosperity and poverty, in health
and sickness. He will sleep on the cold ground if only he can
be near his master's side. He guards the sleep of a pauper as if
he were a prince. When all other friends desert..he remains."*

George Graham Vest, Attorney. 1869
